May help facilitate the passage of intestinal contents

PURE MINERAL OIL

APPLICATION
For oral use in horses as recommended by a veterinarian. Also suitable for leather care.

- **100% Paraffinum liquidum**
- **For oral use in horses**
- **Softens and conditions leather**

Eclipse Biofarmab Paraffin Oil contains 100% pure Paraffinum liquidum – a high-quality liquid mineral oil with no additives. Paraffin oil may help facilitate the passage of intestinal contents and can also be used for the care of leather tack.

Internal use: Paraffin Oil should only be given as recommended by a veterinarian. Always contact a veterinarian if colic or other gastrointestinal disturbances are suspected. The oil is not absorbed by the intestine.

Leather care: Paraffin Oil softens and conditions leather.
Clean the leather before use.

- For very dry leather: immerse the leather in the oil and leave overnight. Wipe off any excess oil with a dry cloth.
- For regular care: apply a small amount of oil using a sponge or cloth. Leave for 5–10 minutes, then wipe off any excess with a clean cloth.

FEEDING DIRECTIONS
As a feed supplement:
Paraffin Oil should only be given on veterinary advice.
As leather care:
Apply the oil to the leather using a sponge or soft cloth. Leave for 5–10 minutes, then wipe off any excess with a clean cloth.
