# ESKADRON® *Faux Fur*

**Faux Fur**  
Das täuschend echte ESKADRON Faux Fur ist ein Synthetik-Lammfell, welches sich optisch nicht von echtem Lammfell unterscheidet. Es ist sehr weich, anschmiegsam, druckmindernd und bietet wirksamen Schutz gegen Druckstellen und Wundscheuern. Der Vorteil gegenüber echtem Lammfell ist die Langlebigkeit und praktische Pflege in der Waschmaschine.

**Faux Fur**  
The ESKADRON Faux Fur is a synthetic lambskin which looks deceptively real. It is very soft, supple, pressure-reducing and offers an effective protection against bruises and chafing. The advantage over real lambskin is the durability and easy care in the washing machine.
