## *COMPETITION COLLECTION*

No competition without PIKEUR! This year's show season is characterised by breathable tech jersey functional fabric, paired with noble style elements such as rhinestones applications, high quality prints and decorative jewellery buttons. The colour selection covers both classic shades and fashionable seasonal colours.

## *COMPETITION MUST HAVE*

Special attention is given to the PIKEUR Tailcoat with exchangeable coat points and pocket square. The highlight piece combines modern fashion with functional needs: in addition to the high-quality style elements, the coat is sweat-absorbent and breathable thanks to mesh in the side section and under the arm. The firm fabric construction offers a secure fit.

## *SPORTS COLLECTION*

The PIKEUR Sportswear collection combines functional styles with casual, sporty cuts. In addition to classic shades such as dark olive, soft greige and night blue, this year's spring/summer season is characterised by strong fresh pink and burnt orange. The wide range of lightweight, partly water- and wind-repellent styles offers high wearing comfort for leisure and competitive athletes, on or off the course.

## *ATHLEISURE COLLECTION*

PIKEUR Athleisure stands for clean, confident styles that meet the functional demands of modern show jumpers in particular. Laser cuts close to the body and breathable perforations characterise the new collection and support strong performance in the saddle. Trend colours such as soft jade and strong lime create special highlights.

## *PERFORM IN PERFORATION*

Perforated fabrics are a special style and functional element of the spring/ summer collection. Riders benefit in particular from high breathability, moisture-wicking properties and comfortable temperature regulation. In addition to the technological advantages, the laser perforation gives the shapes style and individuality.

## ***KID'S STYLES***

The combination of trendy colours and fashionable eye-catchers, paired with the highest demands on the sporty functionality of the clothing, also allows young riders to enjoy this year's spring and summer in the stables. A special highlight is the children's breeches with screen-print patch for the first time.
